

➤ Location

MINATEC

Address: 3 Parvis Louis Néel - 38000 Grenoble

Phone: +33 (0)4 38 78 19 19

To get to MINATEC from Grenoble city center, take the tram B Direction “Presqu’île” and stop at “Cité internationale” station (8 minutes). The tram station is in front of the Parvis Louis Néel, you just have to cross the street Felix Escanglon and the Parvis to get to Maison Minatec.

➤ Program at a glance

Thursday 18 May	Starting 8:45	Registration Welcome addresses Forum overview		
	Starting 9:05	Session 1	A vision of innovation in the ENVRI	Platine Auditorium
	Starting 10:00	Session 4	Coffee and PICO session with private partners	Titane espace
	Starting 11:00	Session 1 (continued)	A vision of innovation in the ENVRI	Platine Auditorium
	Starting 12:00	Session 4 (continued)	Buffet and PICO session with private partners	Titane espace
	Starting 14:00	Session 2	Metrology	Platine Auditorium
	Starting 15:25	Session 4 (continued)	Coffee and PICO session with private partners	Titane espace
	Starting 16:30	Session 2 (continued)	Metrology	Platine Auditorium
	Starting 18:00	Session 4 (continued)	Pre-diner drink and aperitif, PICO session	Titane espace
	End Day 20:15			

Friday 19 May	Starting 8:45	Session 3	Promoting public-private partnership in ENVRI	Platine Auditorium
	Starting 10:05	Session 4 (continued)	Coffee and PICO session with private partners	Titane espace
	Starting 10:35	Session 3 (continued)	Promoting public-private partnership in ENVRI	Platine Auditorium
	Starting 12:10	Session 4 (continued)	Lunch and PICO Session (additional presenters if necessary)	Titane espace
	End of Meeting 14:10

➤ Detailed program: Thursday 18th May

Session	from	to	Speaker	Title	Private/Academics/Other	Domain	Where	
Welcome address 1	00:05	08:45	08:50 Anna-Maria Johansson	Welcome address fro DG Research Infra	European Commission		Platine auditorium	
Welcome address 2	00:05	08:50	08:55 Jean-Marie Flaud	Welcome Address from French Mnistry for Research	Ministry for Research, France			
Forum overview	00:10	08:55	09:05 Paolo Laj	ENVRI, innovation and public private partnership: objectives of the first forum	Co-Coordinator ENVRI, ACTRIS			
Session 1: A vision of innovation in the ENVRI			Chair: Jean-François Rolin (EMSO)					Platine auditorium
Key note 1	00:20	09:05	09:25 Anders Tenberg	Development of optode sensor technology for oceanographic applications	Xylem (Bergen, Norway) and University of Gothenburg (Sweden)	Marine		
Key note 2	00:20	09:25	09:45 Phil DeCola	Integrated global greenhouse gas information services - you can manage, what you do measure	Sigma Space Corporation USA	Atmosphere		
Talk 1	00:15	09:45	10:00 Erik Kerstel	High-sensitivity trace gas and isotope analysis using cavity enhanced techniques for the environmental sciences	Université Grenoble-Alpes, France	Cross-domain		
Session 4	Coffee with private partners	01:00	10:00	11:00 Exhibition, PICO-style presentations and coffee			Titane space	
Session 1: A vision of innovation in the ENVRI			Chair: Jean-Daniel Paris (ICOS)					Platine auditorium
Talk 2	00:15	11:00	11:15 Laurent Delauney	Sensor development atthe age of web enablement: experience of NeXOS	IFREMER, EMSO	Cross-domain		
Talk 3	00:15	11:15	11:30 Andreas Petzold	Improving flight management systems using IAGOS data products	Juich Research Center and WXFusion, Germany, IAGOS	Atmosphere		
Talk 5	00:15	11:30	11:45 Jürgen Spielvogel	Long-term collaboration with EU Atmospheric Infrastructures and innovation	TSI Inc., USA,	Atmosphere		
Talk 6	00:15	11:45	12:00 Grisa Močnik	Developing, making, selling and using aerosol instrumentation – a clash or synergy of commercial and scientific paradigms?	Aerosol D.o.o, Slovenia	Atmosphere		
Session 4	Lunch with private partners	02:00	12:00	14:00 Exhibition, PICO-style presentations and lunch			Titane space	
Session 2: Metrology			Chair: Vito Vitale (ISAC-CNR)					Platine auditorium
Key note 1	00:20	14:00	14:20 Paul Quincey	International Equivalence of Measurement Standards in Support of Environmental Monitoring	National Physical Laboratory (UK)	Cross-domain		
Key note 2	00:20	14:20	14:40 Peter Pavlasek	Presentation of EURAMET	Slovak University of Technology in Bratislava (Slovakia)	Cross-domain		
Talk 2	00:15	14:40	14:55 Fernando Sparasci	The MeteoMet project: Metrology for essential climate variables	CNAM (France)	Cross-domain		
Talk 3	00:15	14:55	15:10 Yves Degrés	NOSS the first in-situ density sensor for marine water, Meteomet2	NKE Instrumentation (France)	Marine		
Talk 4	00:15	15:10	15:25 Luigi Corciulo	Each lab has its dedicated tool	Product Manager CallPower (Italy)	Atmosphere		
Session 4	Coffee with private partners	01:05	15:25	16:30 Exhibition, PICO-style presentations and coffee			Titane space	
Session 2: Metrology			Chair: Fernando Sparasci (LNE)					Platine auditorium
Talk 5	00:15	16:30	16:45 Jean-François Rolin	Needs of rules, Standardization andlabels in marine ENV Research Infrastructures. What is the role of industry?	EMSO, IFREMER (France)	Marine		
Talk 6	00:15	16:45	17:00 Douglas Worsnop	ACTRIS Central facility in Aerodyne business strategy	Aerodyne Inc (USA)	Atmosphere		
Talk 7	00:15	17:00	17:15 Alfred Wiedensohler	From research to standardization: measurements of atmospheric the particle number size distribution and light absorption coefficient	TROPOS, Germany	Atmosphere		
Discussion Round	00:45	17:15	18:00 Leo Rivier (Chair)	Question / answer : RI and certification processus	LSCE-CEA, ICOS			
Session 4	Cocktail with private partners	02:15	18:00	20:15 Welcome address Patrick Lévy, President of Grenoble-Alpes University Community, PICO-style presentations and wine			Titane space

➤ Session 4 program: PICO-style presentations – Convenor: Gorana Jerkovic (ICOS)

		Slot	Institution	First name	Family name
PICO Innovation technology session (No 1)					
10:00-11:00	Thursday morning coffee break	presentation 1	Ecomesure	Fabio	Furlan
		presentation 2	Université de Grenoble-Alpes /CSUG/IPAG	Etienne	Le Coarer
		presentation 3	Marine Institute	Diarmuid	O Conchubhair
		presentation 4	UGT GmbH	Christian	Heerd
12:00-14:00	Thursday lunch break	presentation 5	EGI Foundation	Yin	Chen
		presentation 6	Kongsberg Maritime Contros GmbH	Peer	Fietzek
		presentation 7	available slot		
		presentation 8	Gasmet Europe Oy	Nenne	Nordström
		presentation 9	Metek GmbH	Gerhard	Peters
		presentation 10	Perkin Elmer France	Olaf	Broekmann
15:25-16:30	Thursday afternoon coffee break	presentation 12	MIRICO Ltd.	Christophe	Clarysse
				Mohammed	Belal
				Graham	Leggett
15:25-16:30	Thursday afternoon coffee break	presentation 13	SenseAir AB	Carl	Bengtsson
18:00-20:15	Thursday cocktail break	presentation 14	Airmodus Oy	Minna	Väkevä
		presentation 15	Hukseflux Thermal Sensors	Kees	Van Den Bos
		presentation 16	PICARRO	André	Bals
		presentation 17	GRASP-SAS	Benjamin	Torres
		presentation 18	LICOR	Peter	Martin
10:05-10:35	Friday morning coffee break	presentation 11	CNRS-IGE	Jérôme	Chappellaz
	PICO Metrology session (No 2)				
	Friday morning coffee break (continued)	presentation 19	SHOM	Marc	Le Menn
	PICO Public - private partnership session (No 3)				
	Friday morning coffee break (continued)	presentation 20	IFREMER	Christophe	Maisondieu
		presentation 21	Battelle - National Ecological Observatory Network (NEON)	Hank	Loescher
presentation 22		PROAMBIENTE s.c.r.l.	Ivan	Kostadinov
